

PROSTRIPE Hydraulic Walk Behind Line Stripers

PROSTRIPE hydraulic line strippers are contractor's choice for those most demanding jobs. Equipped with VEZOS slow stroke hydraulic pump and Tunnel Cooling System that will never let you down. VEZOS PROSTRIPE walk behind line strippers are powered by HONDA GX engines, unique features and new technology standards.

- **Rear Gun & Bead Hopper**

Simple, no tools required, turn the hopper around and place the guns on the rear end of the stripper for stable long lines.

Important : VEZOS unique vibrated assisted bead hopper, provides a smooth & gradual release of the glass beads, during operation.

- **Foldable Chassis**

VEZOS innovative designs! **IT FITS EVERYWHERE.** Pass with ease the ProStripe through any standard doorway, store it in your business, garage or warehouse without taking up the entire space and finally fit the PROSTRIPE in any small city van or even Station Wagon that you may own, without having to bring it to parts, due to its foldable design.
